

Don't let bad weather ruin your

Rally

There are still so many ways to play!

1. MAKE YOUR LUNCHEON YOUR RALLY

Raffle off your prize, share stories and spread the message of early detection.

2. BRING YOUR RALLY CONTEST INSIDE

Have a creative putting contest, golf simulator contest or use one of our quizzes to give away the prize, golf balls etc. This can be done at the grill or anywhere - see below for some fun golf games!

3. HAVE A Q&A WITH THE PRO OR A GROUP LESSON

People can submit questions and the prize can be raffled off.

4. PICK AN ALTERNATIVE DAY(S) - TO HOST A RALLY!

People can play when it's convenient for them!

Fun, Indoor Golf Game Ideas

The Shrinking Hole

Cut out 5 circles from paper that measure 4, 6, 8, 10 and 12 inches in diameter. Place them at various points on the floor. Players start 3 feet away from the 12-inch circle. When they sink five putts - the ball comes to rest on the paper - they move onto the 10-inch circle and start from 4 feet away. The game continues in this manner, with players putting to the 8-inch circle from 6 feet; to the 6-inch circle from 8 feet; and to the 4-inch hole from 10 feet. The first player to sink five putts on all 5 circles wins!

Different Strokes

Use a selection of putters, from a classic putter to a high-tech putter. Turn a glass or cup on its side to act as the hole and place it about 10 feet away. Players take turns and must sink a putt with each putter in the rotation. The first to do so wins!

Be the Ball

A classic scene in the golf movie "Caddyshack" shows the players putting blindfolded and using zen-like concentration to "be the ball." For this game, players stand the same distance from the hole/glass. After 4 or 5 practice shots, they are blindfolded. The player whose blindfolded putt comes to rest closest to the hole wins!
